## Finance Kickoff

Your Chicago Scout Council is the service arm for institutions and Units. It works through Council committees, District committees, and sponsoring institutions. Providing the vital services needed to keep the Scouting movement effective for almost 100,000 members during each year requires effort and money.

To raise funds needed for these essential services, the 1960 Finance Campaign has a goal of \$499,600.

The General Chairman of this Campaign, Allen P. Stults, Executive Vice-President of the American National Bank and Trust Company, reports the campaign is off to a great start.

Starting earlier this year, the Council Special Gifts Campaign, kicked off on December 3rd. Key civic and industrial leaders heard Alex Dreier, NBC commentator, hail the Scout movement as a moving and effective force for good. Co-Chairmen of this portion of the Campaign are Henry P. Isham, Treasurer of Clearing Industrial District and John J. Hussey, Vice-President, Foote, Cone & Belding.

An enthusiastic group inaugurated the General Business & Industry portion of the Campaign at a luncheon on December 8th. They are already well on their way toward raising the goal they have set for this year's drive. Both Chairman Edwin A. Locke, Jr., President of Union Tank Car Company and Vice-Chairman, Angus Macdonald, Vice-President, The Quaker Oats Company, report the campaign is well-organized and operating smoothly.

### Districts' Part

Backbone of the Scout Finance Campaign is the Districts' part. In the neighborhoods where Scouting actually happens to boys are found the thousands of contributors who make the Scout Campaign a success.

"Advance Gifts" efforts have begun in many of the Districts campaign. Prior to Friday, January 22nd, every District will kick off its campaign for general solicitation.

Every adult who knows the value of Scouting realizes how much the community gets in return for every dollar invested. Every active Scouter is needed as a campaigner for Scouting.

### First Report Meeting

The Council will hold its first report meeting as a part of the exciting Golden Jubilee Pot-Luck Dinner at the Stockyards International Amphitheatre on Saturday, January 30th.

## GOLDEN ANNIVERSARY BEGINS

### Short-Term Camping Fee

Ten cents per night will improve the facilities and maintenance in the Council camps.

In order to better maintain the camp facilities for our Scouts, the Chicago Council has established a grounds fee program which will be effective for the use of any Council overnight camp.

Upon recommendation of the Chicago Council Camping and Training Committees, the Executive Board approved, at the December meeting, the following grounds fee plan:

**"A charge of ten cents per night will be charged for each Scout and Scouter camper at short-term camps operated by the Chicago Council, Boy Scouts of America. This fee is to be effective January 1, 1960."**

Details concerning payment will be available at the Chicago Council Camping Service and at each camp.

## JAMBOREE

Well over 300 Scouts and Explorers and almost 100 leaders who were signed up before the holidays don't have to worry. They will enjoy the 5th National Golden Jamboree at the foot of the Rockies near Colorado Springs. As this is written, there is still space for both additional boys and more leaders but by the time you read it, our contingent may be filled. However, by fast action, your Unit can be represented, even if it is on a "stand-by" list because there are usually cancellations which provide additional space even after guaranteed reservations have to be closed.

### Advance Booking

The combination of marvelous experience enjoyed by previous Jamboree Scouts, the thrilling Colorado Springs campsite, and the special 50th Anniversary features, have created an unprecedented demand for space at the Jamboree. Months earlier than in any of the previous four Jamborees, paid reservations have flooded in.

### POT LUCK DINNER

#### ATTENDANCE BOOMING!

Scouting's big celebration, the Golden Jubilee, starts in Chicago with a big event.

The Council Pot Luck Dinner has caught the imagination of everyone. To be held at 6:30 P.M., Saturday, January 30th in the Stockyards International Amphitheatre, it will be the biggest birthday party Scouting has ever had in the midwest.

#### Probable Sell-Out

There are more than 2,000 paid reservations now in. Jerry Frazin, Council Pot-Luck Dinner Promotion Chairman says, "It looks like it will be a sell-out." If the current rate of reservations continue pouring in, there will be a real rush for remaining space.

Tables for ten are still going at \$7.50 each.

#### Biggest Show Yet

Downing B. Jenks, President of the Rock Island Railroad, who is serving as Chairman of the entire Pot-Luck Dinner, reports that this is the biggest event of this kind ever to be held here. He cautions "No Scouter will forgive himself if he misses this giant spectacle of fun and fellowship. Be warned, space is running out fast. There is still room for your party but you must act quickly."

#### Exciting Program

Master of Ceremonies of the colorful, action packed, entertainment will be

DOWNING B. JENKS

Allen Mathis. His keen sense of humor is backed with a great Scouting knowledge gained as a member of both National and International Jamboree contingents.

Program Chairman, William R. Blew stated, "We have arranged an action-packed, fast paced program worthy of inaugurating Scouting's Golden Jubilee."

Main speaker will be the celebrated world traveler and youth leader, Dr. Carl S. Winters. Acclaimed as one of the greatest speakers of our time, Dr. Winters is preparing a special talk to commemorate Scouting's Anniversary. Based on his

The Golden Year . . . what visions are conjured up by that title. As we embark on the Golden Jubilee celebration of Scouting's 50th Year, we are strong for America. Almost 70,000 strong . . . Scouts and leaders here in Chicago right now and some 5 million strong throughout this great nation.

If it were possible for us to go back through the years and share each major milestone that has made Scouting emerge as the greatest youth movement of all time, we would better appreciate how truly significant is this 50th Anniversary celebration.

From that foggy London day when an unknown British Scout saluted Chicago publisher, William D. Boyce, and refused a tip for doing a good turn, until today, more than 35 million boys and men have enjoyed the adventure, thrills, and fun of Scouting and become better Americans for it. Stronger in character and citizenship and self-reliance.

Standing here today, with tradition and sacrifice and half a century of effective service behind us, we are, none-the-less, on the threshold of the greatest era the Scouting movement has ever known. For we have in our hands now, the tools and resources to do an even better job; we have before our eyes the eager faces of more boys than ever before; we have in our minds the knowledge that Scouting skills and strength are needed evermore; and we have in our hearts a determination to bring Scouting to every boy.

This is our Golden Opportunity. This is our Golden Challenge. This is our Golden Year.

## HONOR ROLL OF DISTRICTS

The Chicago Council, its Executive Board, and operating committees, cooperating with the District Committees and the District Commissioner Staff, can produce great results.

A record of no Units dropped for a long period of time or a net gain every month in total Units or in total boys points up success in this cooperative effort. Here are the outstanding Districts in these categories:

### NO DROPPED UNITS

Greater Roseland District 12 consecutive mo.

## THE NEW LOOK

There is an air of activity around the Kiwanis Training Reservation. You may have noticed the many improvements made in the facilities there.

Thanks to the men of St. Augustine's of Stockyards District, you can see how a quonset hut can be renovated. Their hard work and personal sacrifice have made Quonset "5" look better than new. Its new floors and completely repainted interior and exterior are a lasting tribute to their effort.

The South Shore District is working on a project also. You will see the Lone Troop Cabin completely resurfaced with rough siding.

The Chicago Fire Department is still hard at work on the projects they are doing so well.

These contributions are making big improvements at Kiwanis. Your Unit Committee or Scout parents or District Commissioner Staff, or you alone, can make the difference in some camp project. Decide how much time you can give and Camp Kiwanis will find a job to fit.

Remember, Scouts grow up fast. The camp experience they have today may be the only one they'll ever know. You can help make it a better one.

## FINANCE (Continued) Report Regularly

Successful finance campaigners know the importance of regularly reporting funds collected. Each campaigner is asked to turn in his solicitations each week to his team captain who brings it to the weekly report meeting.

Each portion of the campaign has a Report Meeting Place designated. A short, interesting gathering held at the same day and time each week keeps everyone up-to-date.

### Two Keys

Chairman Stults pointed out that the two keys to an outstanding campaign are 1.) careful organization and, 2.) regular report meetings. He enthusiastically stated that organization efforts were well ahead of any previous year and urged that report meetings be scheduled in a similar businesslike way.

### Key Leadership

For the past four months, the names of many key campaign leaders have appeared in the COUNCILer. Here are some additional men in key positions.

The following District Finance Chairmen have been recruited: Area "D" Chairman is James Stephans, Oostman Stephans Heating Company. Russell A. Doody, Indian Boundary District; Hon. ## GOLDEN JUBILEE

The dictionary states a "jubilee" is "The joyful commemoration of the anniversary completing 50 years in service."

Starting right now, more than five million members of the Boy Scouts of America will be joined by over 35 million former members, and all the nation, in celebrating the 50th Birthday of the Boy Scouts of America.

The entire Golden Jubilee Year will emphasize special events and activities celebrating the anniversary.

Sidney Wanzer, III, Chairman of the Jubilee Celebration, stated, "The Council has an exciting array of Jubilee activities planned. I hope every Scouter will help every Scout take part."

### Happy Birthday

We will mark our birthday twice this year. In February, Boy Scout Week, February 7-13—and the entire month—will be one highlight. In July, the National Scout Jamboree at Colorado Springs will be the other one.

### Cub Scouts, Too

More than one million Cub Scouts will be a part of the 50th Anniversary with a "Golden Jubilee" theme in February. They will devote Den and Pack meetings to historic skits and events depicting the history of the Boy Scouts of America. Again in July, all Cub Packs will have the chance to conduct a Cub Scout Jubilee to be held at the same time as 50,000 Boy Scouts and Explorers are attending the Golden Jubilee Jamboree at Colorado Springs.

### Jubilee Camporees

During the period of May 12th through June 12th, Chicago Scout Districts will join other Councils throughout the nation in District Scout Camporees where more than a million Scouts and Ex-

## Order of the Arrow Officers Training Conference

The Order of the Arrow's annual Officers Training Conference will be held Saturday, January 23, 1960, starting at 9:30 A.M., in the International Harvester Education Building, located at 190 East Delaware Street.

This conference is for all Chapter Officers and Chapter Advisors.

Every Unit leader will want to participate in the 50th Anniversary Achievement Award Program. Each has been sent material concerning this recognition.

Apparently there has been some misunderstanding about one phase of the award.

The National Council has notified us that some Unit leaders have been sending applications for the 50th Anniversary Achievement Award and a coin card with ten cents to the National Council office.

The application for the 50th Anniversary Achievement Award should be sent to the Chicago Council office, 9 W. Washington Street, Chicago 2, with ten cents for each boy after January 1, 1960.

plorers will demonstrate camping and Scouting skills, compete in field events, and enjoy the fun and fellowship of camping together.

# Stamp Honors Boy Scouts' 50th Anniversary

Postmaster General Arthur E. Summerfield announced that this Boy Scout 50th anniversary commemorative stamp will be placed on first-day sale at Washington, D.C., on February 8. The stamp is designed by the noted artist, Norman Rockwell. The likeness of a Scout will be printed in gradations of khaki while the lettering will be in blue.

## HEALTH & SAFETY

James P. FitzGibbons, M. D., Health & Safety Chairman, announces the appointment of Bernard W. Switzer as Chairman for Districts' Driver Training Courses for Scouts and Explorers of fifteen and a half years of age or older.

Mr. Switzer is assisted by experts from Chicago Police Driver Improvement School, Citizens Traffic Safety Bureau, and the Chicago Transit Authority Safety Department.

District Health & Safety Chairmen are urged to select two men to attend a four-hour instructor course to be run in January at Citizens Traffic Safety Bureau. They will be trained in use of testing devices, movies and other visual aids to teach Scouts how to become skillful drivers.

Several Districts have already run such courses, enrolling up to 75% of all Explorers in the District. On several courses, all Explorers were accompanied by their fathers.

## POT LUCK (Continued)

broad experience working with young people throughout the world and especially with the rehabilitation of youth in trouble, it will be a message Scouters will remember "for years to come."

## Silver Beaver Presentation

One of the largest mass presentations of the Silver Beaver Awards in the history of Scouting will be presented at the Pot-Luck Recognition Dinner. Marking the excellent Scouting service records received by the Silver Beaver Committee during the past two years, the award presentation under the direction of Arthur Cahill, will be a colorful spectacle which will pay tribute to all Scouters for their unselfish and devoted service to the youth of our nation.

The first report of the 1960 Finance Campaign will be made by Allen P. Stults, Campaign Chairman.

## Gala Atmosphere

Befitting a half century of Scouting, the International Amphitheatre will be gayly decked with colorful Scouting symbols. Glenn Nolte, Physical Arrangements Chairman, states that he expects the over-all decorations will be in keeping with the Golden Jubilee theme. It is probable, however, that grand as they are, they will pale into insignificance when compared with the table decorations being planned by many of the Scout-

er groups. Several of the Districts have already developed the central theme with-in which each of their tables will compete for honors. **The Race Is On**

Outstanding Promotion Committees are working in most Districts. Right now, Tri-Ridge District, Marquette District, and Southwest District are leading the pack for the largest District representation. However, it is a close race and these leaders may be surprised at the finish line.

Make your reservation immediately. No Scouter will want to miss this Golden Jubilee event.

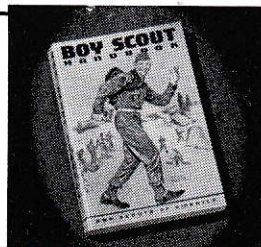

## FIRST AID MEET MANUAL

Lawrence L. Hirsch, M.D., Chairman of the Health and Safety Sub-committee on the 1960 First Aid Meets, has completed rewriting the manual, rules and procedures. Problems for Unit and District meets will be distributed at the Health & Safety Committee meeting in January.

The entire manual has been rewritten. Confusing rules and procedures have been clarified. Directions for conducting meets and for judging have been briefed and clarified.

The committee suggests that first aid should be a year-round program and not emphasized only a few weeks prior to District Meets.
